

## **Contract Instructor Teaching Opportunities Summer 2022**

### **Azrieli School of Architecture and Urbanism at Carleton University**

*A note to all applicants: As per Articles 16.3 and 16.4 in the CUPE 4600-2 Collective Agreement, the posted vacancies listed above are first offered to applicants meeting the incumbency criterion. A link to the current CUPE 4600-2 Collective Agreement can be found at the Academic Staff Agreements webpage on the Carleton University Human Resources website (<https://carleton.ca/hr/cu-files/cupe-4600-unit-2-16-19/>) and the CUPE 4600-2 website <https://www.cupe4600.ca/unit-2> .*

Applications are invited from members of the CUPE 4600-2 bargaining unit and other interested persons to teach the following Architecture course during the 2022 summer term. Remuneration will be based on the CUPE 4600-2 bargaining unit's collective agreement.

#### **Required Qualifications**

**All candidates must have a professional degree in Architecture unless otherwise specified in the experience requirements listed below.** Preference will be given to candidates with a professional license and professional experience or a Ph.D. in the subject area of the course. Candidates must also have excellent communication and presentation skills. Teaching experience at the university level and in the course subject areas is an asset. Candidates will work closely with the Associate Director and Director as well as the Coordinator or Chair of the relevant programs to ensure that their course material meets the University Calendar regulations, the pedagogical objectives of the School and the specific Canadian Architectural Certification Board Student Performance Criteria (CACB – SPC) for their specific course. Please visit the CACB website to review these criteria at [www.cacb-ccca.ca](http://www.cacb-ccca.ca) .

Applications will be accepted **until midnight on February 11<sup>th</sup>**.

Applications must include all of the following:

- Covering letter, and
- Curriculum vitae, and
- Carleton University Contract Instructor Application Form including educational background, employment history, and related experience. This form can be found at <https://carleton.ca/provost/cu-files/ci-application/>

All **successful** applicants should familiarize themselves with the Educational Development Centre (EDC) [Teaching Resources](#) page. EDC will offer orientation for any **new** contract instructor prior to the start of the term. The course covers rules and regulations of the University, online tools and other critical information necessary for course development, delivery and examinations as well as student communication protocol.

**Please note:**

- **The University may require that all or part of this course be delivered remotely**

- Some courses may be taught by employees who have the right to automatic reappointment as per the CUPE 4600-2 Collective Agreement, Articles 16.3 and 16.4.
- All positions are subject to budgetary approval.

Carleton University is strongly committed to foster social and cultural diversity within its community. We welcome those who would contribute to the further diversification of our University including but not limited to women, persons with disabilities, visible minorities, Aboriginal peoples, and persons of any sexual orientation or gender identity.

**All applications should be sent electronically as a PDF to the attention of:**

Professor Federica Goffi, Interim Director

Azrieli School of Architecture & Urbanism:

## Courses

---

### **SUMMER TERM 2022 (May to June 2022)**

---

#### **ARCC 2203/ARCC 5098**

Course Title: ***Architectural Technology 3/ Building Technology 3***

Semester Offered: Summer 2022

**Calendar Description:** Wood frame, post and beam, steel and concrete systems and construction techniques. Structural systems and building envelope principles and practice are explored in conjunction with mechanical and electrical systems in smaller buildings. Emphasis on precedent, tradition and methodology of architectural detailing for construction.

**Course Format:** Lectures three hours two times per week.

**CACB SPC:** B5, C1, C2, C3, C4, C5

**Specific Experience Required:** A minimum of 5 years architectural experience working with Canadian climate building technologies, integrated building systems and Canadian Building Code in small and large-scale projects. This course is taught to students in various degrees including architecture, engineering and conservation & sustainability and the course must be coordinated to be inclusive of all disciplines.

**Coordination:** Before the semester begins, the scope of the content, schedule and assignments of this course must be coordinated with the Third Year Studio Coordinator, the M.Arch (13 credit Chair) and the Chair of the Conservation & Sustainability program. All deadlines or tests must be entered on the Architecture online deadline calendar (Team-Up) and verified as approved by the relevant coordinators. In addition, this course requires that the *Technical Services Request form* be completed should any use

of the workshops, CNC, laser cutter or computing and printing services be required. Time requested must be approved by the relevant technicians and may require alteration based on overall demand.
